March 2006

2007 RECYCLING GRANT APPLICATION: DEADLINES AND PROCEDURES

Recycling Grant application packets will no longer be automatically mailed to Responsible Units (RUs). Application materials for calendar year 2007 Recycling Grants will be available on-line and the deadlines to submit these are listed below.

TO RECEIVE THE APPLICATION ON-LINE (Available July 2006)

Go to: <http://www.dnr.wi.gov/org/caer/cfa/Grants/Recycle/recycle.html>

From this web page, you will want to download the following items:

- Cover letter and Instructions (8700-222S)
- Application forms (8700-222S)

IF YOU WANT TO RECEIVE THE MATERIALS ON-LINE, BUT ARE NOT CONNECTED TO THE INTERNET we suggest the following options:

- 1- Your public library may provide computer access to its patrons.
- 2- Your county Planning and Zoning office may print off the application and instructions for you.

TO OBTAIN GRANT APPLICATION MATERIALS THROUGH THE MAIL

Please contact Diane Glodoski, Recycling Grants Program Assistant, by phone at 608-264-8902 or via email at diane.glodoski@dnr.state.wi.us. Application materials and instructions will be mailed to you.

SUBMITTAL INSTRUCTIONS

Please read the instructions carefully before filling out the application. Form 8700-222S can be completed on your computer. When completed, submit **pages 1 and 2 only** of the original *Recycling Grants to Responsible Units* 2006 grant application. **To be eligible for funding, the form must be printed out, signed, and mailed to address below by the postmark deadline.**

DEADLINES: All dates shown are postmark deadlines

For Basic Grant to Responsible Units

To receive 100% funding	October 01, 2006*
To receive 95% funding	October 10, 2006
To receive 90% funding	October 20, 2006
To receive 75% funding	October 30, 2006
To receive 0% funding	October 31 or later

For Recycling Efficiency Incentive Grant

To receive 100% funding	October 30, 2006
To receive 0% funding	October 31 or later

* In 2006, October 1 falls on a Sunday. When this occurs, Wisconsin statutes allow applications to be postmarked as late as Monday, October 2.

If also requesting funds through the *Recycling Efficiency Incentive* (REI) grant program, we recommend you complete and submit that application at the same time as the *Recycling Grants to Responsible Units* application.

Also note the eligibility dates for the 2007 REI grant program. As before, Responsible Units must continue to maintain an approved effective recycling program that meets state law in order to be eligible to apply for a recycling grant.

RECYCLING EFFICIENCY INCENTIVE GRANT ELIGIBILITY DATES FOR GRANT YEARS 2007 and 2008

To receive an REI grant in calendar year ...	The DNR must receive a completed application with postmark of no later than ...	If measure of efficiency is a merger of at least 2 RUs (also called a "consolidation")...		If measure of efficiency is a cooperative agreement for shared recycling services or joint recycling contractor services...	
		... then all participating RUs must agree, in writing...	...and consolidation must be effective as ofthen all participating RUs must agree, in writing...	...and activities must...
